

Restricted Securities Financing

At **New Vision Global Capital Partners** we believe borrowing is an important part of your overall financial life. We will help you evaluate borrowing alternatives in the context of your total financial picture and select the solution that fits your needs.

Our restricted stock loan program enables employees and/or retirees who have restricted stock of NYSE and Nasdaq companies class "A" shares or class "B" shares, to obtain cost effective financing using the value of their stock as collateral.

When should you choose to use your restricted stock as collateral?

If you have a loan out with another financial institution or are interested in using your stock as collateral for the first time, New Vision Global Capital Partners may be able to provide a customized loan to assist you with your personal financing needs.

Use loans for a variety of purposes:

- Portfolio diversification
- Taxes
- Vacation home purchase
- Debt consolidation
- Private company investment
- Luxury purchases
- Refinance debt with a more attractive rate and term (corporate or personal)

Take advantage of competitive loan terms and features:

Revolving line of credit or term loans available.

Easy access to funds via convenience check or Fed wire® transfers.

Funds Transfer service (FTS) and automated clearing house (ACH) transactions are also available for non-purpose loans.

Flexible repayment terms and conditions:

Up to 50% LTV

Fixed or variable rates:

- We offer a competitive rate starting with Libor plus 0.65%
- Limited recourse only to the asset **no personable liability**. In a tight squeeze you can walk away from the loan with no personal liability. Our restricted stock loan gives you an off balance sheet event which leaves no footprints in the market place. For total financial privacy.
